INFORMATION DISCLOSURE STATEMENT

Sir:

Pursuant to 37 CFR 1.97 and 1.98, and in compliance with 37 CFR 1.56, the Office's attention is directed to the patents, publications and other information listed on the attached PTO-1449. A copy of each listed foreign patent and "other" document is enclosed.

The identification of any reference in this Information Disclosure Statement is not intended to be, and should not be understood as being, an admission that such reference, in fact, constitutes "prior art" within the meaning of applicable law. The "prior art" status of any reference is a matter to be resolved during prosecution. The submission of a copy of any unpublished U.S. application

does not constitute a waiver of the confidentiality of any such application, and Applicant requests that any copies of unpublished applications submitted herewith be excluded from the file wrapper.

A copy of U.S. Provisional Application 60/368,354, referred to in the specification, is attached for the Examiner's information.

The filing of this Information Disclosure Statement shall not be construed to be an admission that the information cited herein is, or is considered to be, material to patentability as defined in 37 CFR 1.56(b).

It is believed that no fee is required for the filing of this document. However, if any fees are required by the filing of this document, the Commissioner is hereby authorized to charge such fees to our deposit account no. 12-2275.

Respectfully submitted,

THE LUBRIZOL CORPORATION
